According to the Article 6 paragraph 5 point c of the Regulation (EU) 2016/399 of the European Parliament and of the Council of 9 March 2016 on a Union Code *on the rules governing the movement of persons across borders (Schengen Borders Code)* third-country nationals not fulfilling one or more conditions indicated in the paragraph 1, can obtain permission to enter Member State because of the humanitarian reasons, national interest or international obligations.

On the basis of Article 32 paragraph 1 of the *Act on Aliens of 12 December 2013* in case mentioned in <u>Article 6 paragraph 5 point c</u> of the Schengen Borders Code, commander of the Border Guard post after receiving consent of the **Commander-in-Chief of the Border Guard can allow entrance into the Republic of Poland to a foreigner for the period of time no longer than 15 days.**

Entry into the territory of the Republic of Poland for those without valid travel documents is possible only by using the above-mentioned special procedure.

It is worth underlining that Border Guard will not require embassies to provide them with all data of third-country nationals in order to alleviate their entrance into the territory of the Republic of Poland, **nevertheless receiving such information would facilitate** the border checks upon entry into Poland and speed up procedures.

4. Is there a requirement for Ukrainian citizens entering Poland (by land or air) to have a biometric passport? Can Ukrainian citizens enter Poland with a non-passport document, e.g. a Ukrainian identity card or a non-biometric passport?

Ukrainian nationals are on the list of third countries whose nationals are exempt from the requirement to be in the possession of a visa when crossing the external borders of the Member States for stays of no more than 90 days in any 180-day period in accordance with the provisions of the *REGULATION (EU)* 2018/1806 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 14 November 2018 listing the third countries whose nationals must be in possession of visas when crossing the external borders and those whose nationals are exempt from that requirement: <u>https://ec.europa.eu/home-affairs/document/download/94208ed9-9724-4777-a365-f19a48047953_en</u>.

The exemption from the visa requirement is limited to the holders of biometric passports issued by Ukraine in line with standards of the International Civil Aviation Organization (ICAO). If Ukrainian nationals do not have biometric passports, they are required to obtain a visa-
